

Earn Yourself A **BRAVO ZULU!**

A sailor earns a “Bravo Zulu” when he goes beyond the call. A “BZ” is high praise for his meaningful contribution to men and mission. For 47 years the young sailors of the USS Midway - most of them barely out of high school - earned numerous Bravo Zulus. They created the original Midway Magic. Now you can join them!

The Midway has adopted San Diego High School as part of our community outreach. We're putting Midway Magic to work by creating leadership, higher education, and skill development scholarship opportunities for hard-working graduates. From masonry to marketing, from equipment operators to educators, we believe there should be a little Midway Magic in everyone's future!

Please join Midway staff and volunteers by making a contribution to this worthwhile program! You will not only be saluting the sailors who made Midway Magic but you'll also be fueling the future of deserving young men and women who only lack the resources to pursue their dreams.

Support Midway's **BRAVO ZULU** **SCHOLARSHIP PROGRAM**

Together, We Can Spread The Magic!
